

## Prophecy Fulfilled

Several (12) years ago I heard a Texas prophet say that God was going to break out in small churches that were in the middle of nowhere. That his glory would fall there. Atkins is clearly one of those places!!!! God has lots of opportunity in AR for his glory to fall in small churches. He sees them all.

*"I have been sitting here trying to figure out how to describe what happened in service yesterday morning. Yet, I am at a loss for words. How do you describe what it is like to get a drink of water when you are desperately thirsty, the sensation of holding your just born baby for the first time, or the smell of the air early in the morning after the first snow of the season?*

*Well, that is my dilemma.*

*How do I adequately describe the weight of the Glory of God? What it is like to experience a love that is beyond this earth?*

*We wept, a multitude knelt and lay prostrate on the floor consumed in the fire of the Holy Ghost. At one point I raised up off the floor quickly and opened my eyes expecting to see an angelic host with us. Although I did not see them, I believe they were there carrying the very atmosphere of heaven into our midst. Wave after wave of the Glory swept through the building in crescendos of worship. No one moved. The adults, the teens, the children's church kids were all in the service and they were all involved and overwhelmed with the move of the Spirit. Wave after wave of prophecy came with words of edification and encouragement for the body.*

*This doesn't even come close to what happened, and all I can say is*

*MORE LORD!!! WE WANT MORE!!!"*

*God is doing Great things!*

*An acceleration is coming quickly!!!*
